

Are We a Good Pair?

Please remember that this is a wellness schedule and if your pet ever becomes ill, additional tests and diagnostics will be necessary.

THINGS TO CONSIDER WHEN ADOPTING

-  Adding me to your family can be stressful, preparation and planning will help this process.
-  Without prior exposure to other pets, whether that means me or your babies, it is difficult to predict how we will react with one another.
-  Puppies and kittens require extra love and attention/training. Would a mature adult or senior pet be a better fit for your lifestyle?

1. Why are you interested in adding me to your family?

2. Have you ever owned a kitten before?

3. Do you have any other pets at home?

4. Do you have any children at home? Have they had prior exposure to a new fur baby?

5. Will I be an (Circle One)

Outdoor Kitty

Indoor Kitty

Both Indoor and Outdoor

With warm regards I hope that I will be a wonderful addition to your family!
